

# BAPS Charities Walk

Every BAPS Charities Walk is a powerful and inspiring opportunity for individuals to unite as a community to support a local cause.

Throughout North America, BAPS Charities Walks support a wide range of community, health, education, and humanitarian activities.

In 2014, over 16,000 participants walked over 50,000 miles at events that took place in 54 cities throughout North America. We are grateful to all of the volunteers and sponsors for their time, effort, and support in helping us build a better community, one step at a time.

*"It is heartwarming that hundreds of people who gathered today care for the young students who come from disadvantaged circumstances and often feel hopeless about their future. Today's generous contribution will greatly help shape their future. Thank you."*

Jackie Simard,  
Development Director of Boys and Girls Club of Mercer County (New Jersey)
