BAPS Charities Walkathons in the United States and Canada are a key activity our volunteers organize in support of their local communities. Individuals of all ages and from all backgrounds come together to raise support and awareness for a wide range of community, health and humanitarian organizations. With thousands of participants across both countries, BAPS Charities Walkathons are an activity created by and for the local community to build a better community, one step at a time.

**SINCE 2006**

Each day thousands of patients search the national registry, hoping to find a bone marrow donor match. An estimated 750,000 Americans live with leukemia, lymphoma, or myeloma, and a new patient is diagnosed with one of these cancers every five minutes. BAPS Charities regularly organizes Bone Marrow Drives to increase the chances of connecting a donor to a patient in need.

# NEPAL EARTHQUAKE RELIEF

On **Saturday, April 25, 2015**, a 7.8 magnitude earthquake struck central Nepal, while a 6.7-magnitude tremor was felt less than 50 miles from the capital, Kathmandu, causing widespread devastation. Strong aftershocks continued to hit the region on Sunday, April 26. BAPS Charities responded to an urgent call for disaster relief aid by working with recognized organizations actively leading recovery efforts on the ground.
