WALK GREEN 2018

Trees are essential to...

- reducing the greenhouse effect
- producing clean air
- providing food
- cooling cities and streets
- generating oxygen
- preserving natural habitats

Walk Green 2018 Impact

BAPS Charities' Centres in Canada will continue their Tree Planting in Alberta and Ontario and other environmental initiatives across the country.

BAPS Charities' Centres in America with The Nature Conservancy (TNC) will plant 130,000 trees at Plant a Billion Trees projects in Mississippi Floodplain Forest & Long Leaf Pine Forest. This will help restore Long Leaf Pine forests across nine states and Mississippi Floodplain forest. These trees will be planted within one year.

300,000 Trees in 3 years

2016 | 2017 | 2018

BAPS Charities is a non profit charity active in nine countries across five continents. Volunteers drive our efforts, dedicating a portion of their lives in selfless service of others both in their local neighbourhoods as well as globally.

Working in five key areas, BAPS Charities aims to express a spirit of selfless service through Humanitarian Relief, Health Awareness, Educational Services, Environmental Protection and Preservation, and Community Empowerment.

Humanitarian Relief

- Immediate relief distribution
- Emergency medical aid
- Long-term socio-economic assistance
- Partnering with local NGOs

Environmental Protection

- Environmental Awareness Drives
- Recycling Projects
- Tree-Planting Initiatives
- Rain water harvesting projects

Health Awareness

- Health Fairs & Seminars
- Yoga and Pranayam Sessions
- Blood & Bone Marrow Drives
- Hospitals and Mobile Units

Educational Services

- Parent/Child Communications
- Career counselling for youths
- Summer Camps
- Schools in rural areas

Community Empowerment

- Empowering Women and Youth
- Care for the Elderly
- Walkathons
- Food and Clothing Drives
