The In the Joy of Others Walk | Run celebrates the most fundamental element of any community – the family – and inspires tens of thousands of people to carry forth the spirit of service. Join us as we walk in more than 70 cities across the US.

In addition to supporting many local community organizations, our Walkathons also help support the many other BAPS Charities initiatives undertaken throughout the year. This year, we are proud to also support Susan G. Komen® and its fight against breast cancer as our national beneficiary.

All contributions to BAPS Charities are tax deductible to the extent allowed by law. Upon completion of a program, surplus funds may be used for other charitable activities.
