About BAPS Charities

Who We Are

A Global Family

BAPS Charities is a global non-profit active in nine countries across five continents. Our mission is powered by volunteers who dedicate a portion of their lives to selfless service for others.

Our Symbol

The flame resting in a crucible represents the desire for selfless service glowing in the hearts of our volunteers. Like a flame, we aim to bring light, warmth, hope, and joy to others.

Our Core Pillars

Health Awareness: Community health fairs and medical conferences.

Environmental Protection: Tree planting and neighborhood clean-ups.

Educational Services: School supply drives and career mentorship.

Community Empowerment: Walkathons and food drives for local beneficiaries.

Humanitarian Relief: Rapid response to wildfires and hurricanes.

Medical & Health Initiatives

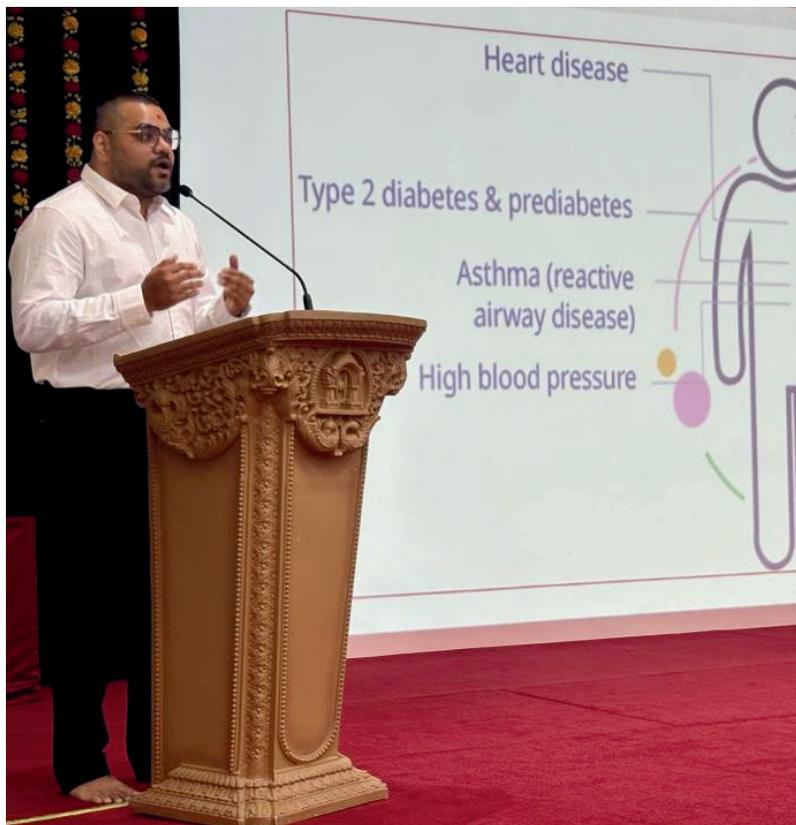

Specialized Health Lectures:

40+ Lectures throughout Canada

A series of over 40 lectures held across Canada focusing on "Silent Killers," specifically hypertension and diabetes management.

Specialized Topics:

- Anxiety & Sleep Health: Targeted workshops for women held in Winnipeg and Toronto to address post-pandemic mental health trends.
- Oral Health: Dental awareness sessions conducted in Scarborough and Calgary in November 2025.

Medical & Health Initiatives

Blood Donation Drive

Collaborative drive with Canadian Blood Services in Saskatchewan.

“Each blood donation has the potential to save multiple lives, and the generosity shown by the Regina community will have a meaningful impact on patients and families across the country. We are also grateful to Canadian Blood Services for their continued partnership.”

Yogesh Patel, President of BAPS Charities Canada
